

Soboba Tribal TANF Program

1425 Spruce Street • Riverside, CA 92507 • TELEPHONE (951) 654-5964

MEMORANDUM

Date: April 30, 2020
To: Soboba Tribal TANF Employees
Copy: Michael Castello, Cahuilla Tribe, Santa Rosa Tribe
From: Maria Aguirre-Mendoza, TANF Executive Director

Regarding: COVID-19 Infectious Disease Situation Update

In light of the current pandemic and to mitigate any potential risk to staff and clients, all offices will continue to be closed to the public until further notice. STTP is following the guidelines set forth by the State of California, Center for Disease Control (CDC) and the Riverside County Public Health Department. While these changes are in place, STTP staff will still continue to make every active effort to ensure all services remain available to our families. TANF Management will continue to monitor and reassess the situation and will keep all parties updated with any future changes.

The Soboba Tribal TANF Program (STTP) will continue to postpone and/or provide classes through distance learning until further notice. Distance learning allows families the opportunity to complete activities and assignments to meet their federally mandated work participation requirements.
